

Oahu Day-Use Mooring Buoy 10 Year Plan Workshop

Tuesday, September 29, 2009 from 5:30-7:30 pm at Waianae Elem School Cafeteria in Waianae

Group Comments:

- 2.5 years requested Power plant Turtles and Pipes moorings-every month no moorings bad for coral
- Community needs to approve moorings before send coordinates to ACOE
- Change the process
- Just use pins for moorings on Waianae coast
- Put moorings on agenda for Neighborhood Board Meeting
- Moorings may interfere with various fishing techniques
- Koolina Boats anchoring at Kahe Pt nightly not sure if using moorings or not-loud overnight use
- Makaha mooring need to be moved out of sand channel outside of surfline
 - 3 most West not being used move to diff location

Rules and Regs:

- Overnight use?
- No rafting

Sustainable Funding of Program:
